November 2025

Downtown business highlight:

A message from the Flint & Stave: A New American Restaurant

Flint & Stave, where the heart of the kitchen and bar come together. Our name pays homage to the essentials: flint for the fire that drives our culinary creations, and staves for the barrels that hold our spirits, beer, and wine.

We are a chef owned and operated establishment serving a unique blend of American-style tapas and heartier entrees. Our style of cuisine blends flavors and techniques from the diverse and rich cultures that make up America. We take pride in using fresh and locally-sourced ingredients throughout our kitchen and bar.

Experience exceptional quality in a relaxed, rustic setting that invites you to unwind and savor the moment. Come as you are; stay awhile.

Located at 84 Fall Street. (315) 828-6300
