March 2026

2026 Seneca Falls SwapCycle Event

Kicking off on Friday, April 17th at 5:00 PM and wrapping up on Sunday, April 19th.

SUBMISSION DEADLINE: THURSDAY, APRIL 9th.

The SwapCycle event will allow Seneca Falls residents to give away usable but unwanted items to others instead of disposing of them into a landfill. Participation not only aids in waste reduction, but it is also a great cost saver during a time where so many of our residents are struggling to meet their basic needs.

How it works: Seneca Falls residents place items curbside. These items can be picked up by anyone who wishes to participate. Unclaimed items will be picked up by the Town of Seneca Falls on the designated Bulk Waste Pickup Day. Seneca Meadows will receive the bulk waste, free of charge to the Town of Seneca Falls.
